MCC Organization Activity Report

**Organization:** ObGyn – Ob/Gyn Interest Group

**Event Title:** What is Ob/Gyn?

**Date of Event:** 09/24/2012

**Description of Event:** On September 24th, 50 students attended the Ob/Gyn IG's first lunch meeting of the year entitled "What is Ob/Gyn?" to learn more about the field and its subspecialties. Dr. Duff moderated a panel of 4 physicians from 3 different subspecialties: maternal-fetal medicine, reproductive endocrinology, and gynecological oncology. The lunch meeting offered an incredible opportunity for students interested in the field to learn more about the possible career opportunities it affords and both the pros and cons of becoming an Ob/Gyn.

**Estimated Number of Participants:** 50

**Total Cost of Event, Including All funding Sources Used:** $120
